I am Seeking for a hard & challenging role where I will have the scope to utilize my knowledge and skills for the growth & success of the organization. I believe and hope I will perform any task honestly as my goal.

EXPERIENCE

Assistant Trainer 0 **Jul 2019-Present**
QUANTUM FOUNDATION, Bandarban, Bangladesh.

- **Trainer Responsibilities**: Trained players of all levels, helping them develop into better athletes while also focusing on their mental health.
- **Training Setup**: Organized the training field, ran drills, and guided teams through local and national competitions.
- **Education**: Helped players understand the benefits of exercise, teamwork, hard work, and collaboration to achieve specific goals.
- **Internal Leagues**: Arranged internal leagues to encourage healthy competition among students.
- **Supervision and Direction**: Supervised, trained, and provided direction to student assistants.

Storekeeper **Apr 2022-Present**
QUANTUM FOUNDATION, Bandarban (Workshop)

- **Inventory Management**: Maintained accurate inventory records through regular audits.
- **Receiving and Dispatch**: Ensured accurate checks for incoming and outgoing goods, organizing storage with FIFO principles.
- **Record Keeping**: Kept comprehensive records for streamlined reporting and accountability.
- **Report Compilation**: Compiled various reports, including inventory status, produced product reports, costing reports, to provide management with insights for decision-making.
- **Team Support**: Assisted supervisors and colleagues with stock-related tasks and other pick orders.

Trainee **Sep 2018 - Jun 2019**
ICT SKILL DEVELOPEMENT, Dhaka (ICT)

- **Hardware assembly**: Built and configured computer systems and components.
- **Troubleshooting:** Diagnosed and resolved hardware issues
- **Network:** Set up and configured WAN/LAN networks.
- **Support:** Provided regular help desk support.
- **Maintenance:** Performed hardware maintenance tasks.
